Dr.Sreenivasa Reddy
- President OASIS

In this era of fast growing science and knowledge of Orthopaedics, it is imperative for the seniors to update and young surgeons to obtain the required analytical approach, skill and dexterity in getting a good result in their pursuit to treat the needy. The theme of the President is on the same lines 'Progress with Self Resilient Young Orthopaedic Surgeons', for empowerment of the Speciality and also for the benefit of Society at large.

There is also a need for constant endeavours to find out new things by research in the basic sciences, methodology and advanced science of Orthopaedics. Artificial Intelligence is coming into every field to help mankind in their performance. Orthopaedic surgeons should be able to use it diligently for the betterment of their management.

It is very encouraging that OASIS is doing its best in this direction with so many Physical and Virtual CMEs, Conferences. There are multiple platforms both online and offline to exchange knowledge and expertise among the members. The number of workshops happening frequently with mannequins, models, gadgets and cadavers pave the way for a hands on experience to Young surgeons and for newly introduced procedures.

This year another milestone in the progress of OASIS is the introduction of OASIS Fellowships for young members from Senior faculty, happened with the persuasion of the President and active involvement of the Executive to make it a reality.

I wish the same vigour will continue with all of us to make OASIS an Association of appreciation with deep bonding.

Wishing You All Happy, Educative and Prosperous Times ahead.

Your sincerely,

*Dr. S. Sreenivasa Reddy,
President, OASIS.*

SECRETARY'S *message*

Prof. Dr. Aneen Kutty

Greetings from OASIS Secretariat

In the last 3 years we have tried to popularise the brand name of OASIS by increasing the visibility among members and to other parts of India. In this line we started the OASIS ICL the monthly webinar on first Tuesday of every month done by one of the six states on rotation and increasing the physical programs of OASIS to three namely the Traumacon, Advanced CME and OASISCON. The presence of OASIS during there years were recognised all over India seen by their intentions to join hands with us in many endeavours.

We had the OASIS2DCON commemorating the 2 decades of Success story of OASIS recognising and honouring the efforts of all past office bearers OASIS and organising Secretaries of OASISCON's.

We also saw the revenue of OASIS increasing to around 60 lakhs from around 25 lakhs inspite of the massive expenses incurred on our journal.

We saw our journal rise to international standards, almost on the verge of getting indexed. I congratulate and recognise the efforts of our editor in chief Dr. Suresh Pillai in the same.

I would like to take this opportunity to thank all the office bearers and executive committee members of OASIS in supporting me. I hope that I could at least do something for the betterment of OASIS in the last 3 years.

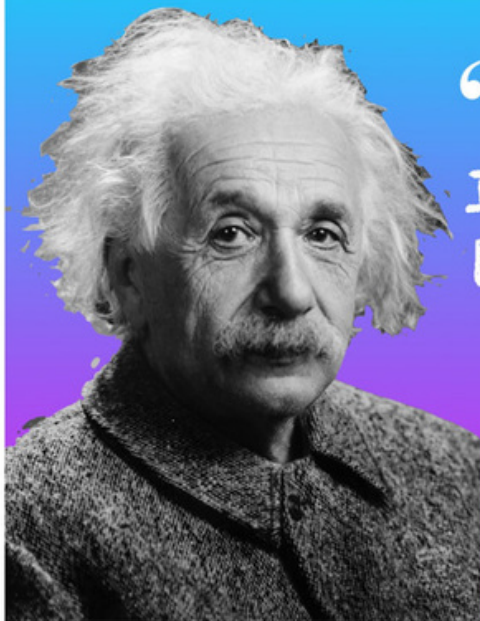

I thank all the members of OASIS for this opportunity to serve you as the Secretary General of OASIS.

For an United South India

2023-24**

"Excellence in Care & Empathy in Practice."

Dear members of the Andhra Pradesh Orthopaedic Association,

I am delighted to share with you the presidential theme for this year, which is "Excellence in Care & Empathy in Practice." As the president of our esteemed association, I believe it is crucial for us to strive for excellence in providing care to our patients while also upholding the values of empathy and compassion in our practice. I look forward to working with all of you in achieving this goal and contributing to the growth and development of our association.

Thank you,

Dr V V NARAYANA RAO

President OSSAP

During OASISCON held in Kurnool, Dr.Srinivasa Reddy took over as president of OASIS. Total of 800 registrations received. Paper presentations and 4 workshops were conducted, 2 orations. Covered all the specialities of Orthopaedics.

OSSAPCON 2023 Guntur:

Dr Dharma Rao: President Dr Dharma Rao welcomed all the delegates. President congratulated Guntur Orthopedic Association for conducting CME and OSSAPCON 2023. We have received 700 plus registrations for the conference, 50 plus trade stalls, 19 CME lectures and 3 Orations by Dr. Rajasabapathy, Dr.Rajesh Malhotra and Dr. Y.V.K. Durga Prasad. OSSAP Monograph Editors event:

OSSAP has taken an initiative to come out with series of monographs. For the fourth time we have come out successfully with our Monographs. We thank officially Dr Amarnath for his strenuous efforts in bringing out this Monograph series. This year we are including Dr Abdul Khan from Ying and Dr Seemran Kancherati to help in bringing out Monographs. The appreciated efforts of Prof. S. Amarnath unanimously nominated him as the editor in chief for next 3 years, secretary Dr J Naradh Babu will help him as member of editorial team. Secretary requested the members to come forward with the proposals for the future monographs and address them to the editor in chief. Executive committee shall take decision in consultation with the editor in chief.

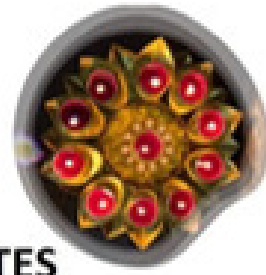

OSSAP Cricket Premier League reports. By Dr. Leela Prasad, Osage Orthopaedic Association conducted the cricket tournament. North Andhra won the title. It was very well organized. Next year cricket tournament will be conducted by Vizag Ortho Association in Vizag.

OBITUARY

- *"The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires."* - William Arthur Ward
- 15th June 2023, has left a huge lacuna in the Orthopedic community of our country. Many young Orthopods might not be recognizing the name, Prof Akella Srinivas Rao. He is etched deep in the hearts of all as our **Dear "AS Rao Sir"**.
- It is extremely sad to know that AS Rao sir has left to heavenly abode on the 15th June, 2023, leaving all of us deeply scarred and handicapped.
- He has an instrumental role in the formation of TCOS (Twin Cities Orthopaedic Society) and **OASIS (Orthopaedic Association of South Indian States)**.
